SEMI-PRIVACY

Chestertown

The perfect balance between openness and solitude, our semi-privacy vinyl fences shield you from the outside world while allowing air to continue to flow between the fence boards. You can still catch a cool breeze with the spaced board design as it offers some privacy, but still allows steady air circulation.

CLOSED PICKET

Hopewell

When safety is your primary concern, style is often an afterthought. With Fencing Direct closed top picket fencing, you can have both! Sleek, stylish and available with 1½" or 3" pickets, all of our closed-top systems meet or exceed building and pool code regulations, creating a safe and stylish boundary around your pool and yard.

Many privacy, semi-privacy and picket fence styles are pool code approved, depending on height, and meet national building standards pool code regulations. Get the peace-of-mind that comes with knowing your pool access is properly protected.

Please note that pool codes not only vary by state but also by locality. Be sure to check the codes in your area before ordering.

BOERBOEL®
Gate Solutions

Boerboel offers an extensive line of gate hardware. We recommend hinges, a latch or drop rod, gate handle and gate stop to complete each project.

Our hinges are strong and durable to support the weight of your gate. Drop rods and latches are available in a variety of styles and our GardDog Locking™ latches feature key locking functions.

A gate stop will prevent your gate from “swinging through” and prolong the life of your gate.
